

MAKE A DIFFERENCE DAY

28th ANNUAL NORTH BRANFORD COMMUNITY ROUND UP
SATURDAY, OCTOBER 28, 2017

October 2017

Dear Parents,

On Saturday, October 28th, students from NBIS and NBHS will undertake an exciting two-hour town-wide effort to collect canned goods and non-perishable food items to benefit needy families here in North Branford. The 28th annual North Branford Community Round-Up will be an exciting competition between teams to earn points and win prizes.

Parent volunteers are needed to drive the teams of two or more children on their assigned routes. If you are willing to help as a driver, please use the tear off below and form a team according to car size. No more than one vehicle per team can be used.

On the day of the Round-Up, teams will report to **the NBIS cafeteria** by 8:30 am and will be assigned a territory. From 9:00 -11:15 am, they will collect food items and bring them **back to the cafeteria**, where they will be counted and points recorded. Teams accumulating the most points will win prizes.

This Community Round-Up is a special opportunity for parents, children and teachers to experience the true spirit of the community as we work together to help others. Together we can "Make a Difference".

Please support us!

Mark Torrente
Paula Ricci
Coordinators

PLEASE RETURN THIS FORM TO **THE MAIN OFFICE** BY 10/26/17.

Teams registered before 10/23/17 will be automatically entered into an "early bird" raffle.
